

Cancelling Courts and Credits

If you can't make a court booking, are injured or unwell, you can cancel your booking up to 24 hours in advance and receive a credit to book a court at a time in the future. Either speak to staff at the Highbury Fields hut or email GLL using the “*Contact us*” form found here

<https://www.better.org.uk/leisure-centre/london/islington/highburyfields/contactus>

Select “**General Enquiry**” and send an email with details of your booking.

We will issue you with a credit within 24 hours of your email (sometimes 48 hours at weekends).

If you cannot make a court booking and it is less than 24 hours, please still ensure you contact us to cancel the court so someone else can use it. Tennis courts in the Borough of Islington are at a premium and we very much appreciate your co-operation in making sure courts you cancel get re-used by other keen tennis players.

Cancelling at The Hut

We are delighted to announce that staff at the hut at Highbury Fields can now issue credits when they manage cancellations.
