- c) In September there will be a Premier League Playoff between the winners of the East Premier league and the West Premier league. Should the result be 12 points all after 3 rounds a tiebreak shoot out is to be played by all 3-pairs against their opposite number to decide the winner. The tiebreak shoot out will be 1 match tiebreak – first to 10 points by 2 clear points.
- d) The venue for the Summer League Playoffs shall alternate each year. The winning Men's team from the East will host the final in odd years (2017, 2019 etc.) and the winning Men's team from the West in even years (2018, 2020 etc.). - h) Teams will not be promoted if they fail to complete all their matches without good reason. The team in 3rd position would then be likely to then gain promotion.
- i) In the event of a tie the percentage of games won to those actually played shall decide.

22. Injuries

If a player is injured during play he/she is allowed a five minute recovery time. If after five minutes the player is unable to continue then he shall concede that match. In case of injury in the first set of the two set match in round three, both sets shall be conceded irrespective of whether the match is completed. A player injured in an earlier round may return for a later round provided he/she available to play at the start of that round.
