Make sure your players are familiar with the LTA rules for play.

### **Court Surfaces**

Highbury Fields has hard courts so please check that players are wearing suitable shoes.

### **Floodlights & Timings**

Highbury Tennis Club home matches start at 6.30pm summer and winter with a 6.20pm warm-up. Please arrive promptly as we have courts from 6.00pm-9.00pm when we must stop play immediately. Some lights stay on for a few extra minutes to allow safe exit from the park.

**Loos** - We have 2 Portaloos that don't charge for use.

**Drinking Fountain** - We have a drinking fountain for filling your own water bottles.

**Post-Match Supper** – We have no club house so liaise with the Highbury captain for details.

### **Travel**

#### **We strongly recommend using public transport because of the LTN road closures**

If you must drive, there's free parking on weekdays after 2.00pm in Zone G at the top end of Highbury Hill or on Leigh Road. See map below. If there are no spaces here, try Kelvin Road for paid-for "RingGo" app parking. Parking is free after 6.30pm.

**Arsenal Home Matches** Additional parking restrictions are imposed for Arsenal home matches. You can see Arsenal fixtures via a link on the "Information for Visiting Teams" page on our website.

**Match courts** - Ask the Highbury captain which courts you'll be playing on.

You can park for free in residential spaces (Zone G) at top end of Highbury Hill or on Leigh Road after 2 pm on weekdays i.e. by the church & clock tower. Follow footpath down to courts.
