Covid-19
Make sure your players are familiar with the LTA rules for play.

Floodlights & Timings
Highbury Tennis Club home matches start at 6.30pm summer and winter with a 6.20pm warm-up. Please arrive promptly as we have courts from 6.00pm-9.00pm when the lights go off automatically and the park closes.

Loos - We have 2 Portaloos that don't charge for use.

Drinking Fountain - We have a drinking fountain for filling your own water bottles.

Post-Match Supper – Please liaise with the Highbury captain for arrangements. We have no club house and our local pizzeria has closed so options are limited.

Travel
We strongly recommend using public transport because of the LTN road closures
If you must drive, there's free parking on weekdays after 2.00pm in Zone G at the top end of Highbury Hill or on Leigh Road. See map below. If there are no spaces here, try Kelvin Road for paid-for "RingGo" app parking. Parking is free after 6.30pm.

Arsenal Home Matches Additional parking restrictions are imposed for Arsenal home matches.

Match courts - Ask the Highbury captain which courts you'll be playing on.
