Data Usage

We use your data for the following:

Contacting you about tennis sessions, tennis competitions, squad training, social tennis, club meetings such as AGMs and parties, and to update you with news affecting the club and its members.

This may involve passing your contact details to another club member, such as a captain or other organiser, who needs to make contact about a match or event.

No Marketing

We never try to sell things to you and we never allow third parties access to our membership data.

Photos

We will not post your photo without your consent. We will ask for consent at the time of joining and annually at the time of membership renewal. Typically these are photos of teams, tournament winners/runners up or players having a jolly time on the courts.

Consolidated Data

Suggestions and Comments

As a small organisation run by volunteers we are always open to suggestions from members so if you would like to comment on how we use data please let us know. See also the Club's Complaint Procedures which has more detail and information.
