

LADIES DOUBLES LEAGUE
Autumn 2017

- Starts Monday 28th August and ends Wednesday 31st December.
- Halfway point: Tuesday 31st October.
- Each pair plays all other pairs in their division.
- Each pair is responsible for organising their own matches, agreeing dates with opponents, booking courts etc.
- Best of 3 tiebreak sets.
- 2 points per set & only completed sets count but you can complete an unfinished match on another date – if you want.
- The winners should email results to Sarah Mulligan at ladiesdoublesleague@gmail.com
- One extra point is awarded if half your matches are completed by the halfway point - 31st October.
- One extra point is awarded if you play all your matches by 31st December but matches must be completed to count.
- The winning pair in each division wins a £10 voucher per player to spend at Highbury's Ink@84 bookshop.
- If there is a tie for first place, set points are worth more than points earned for playing matches. If there is still a tie, the prize will go to the pair who won the match between the pairs vying for first place.
